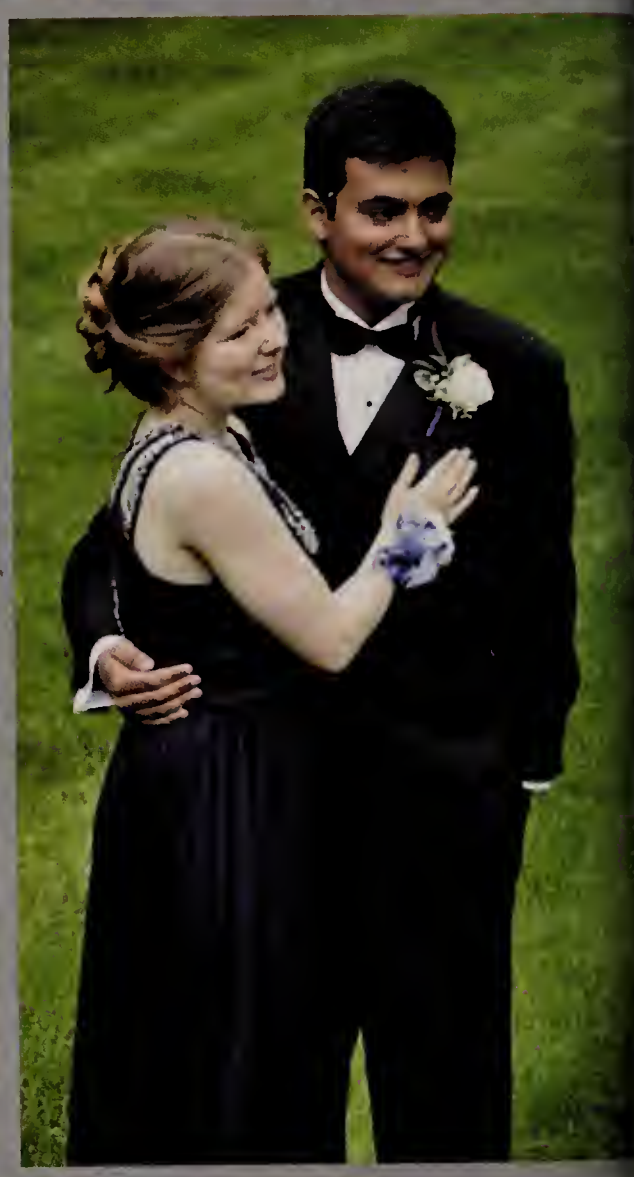
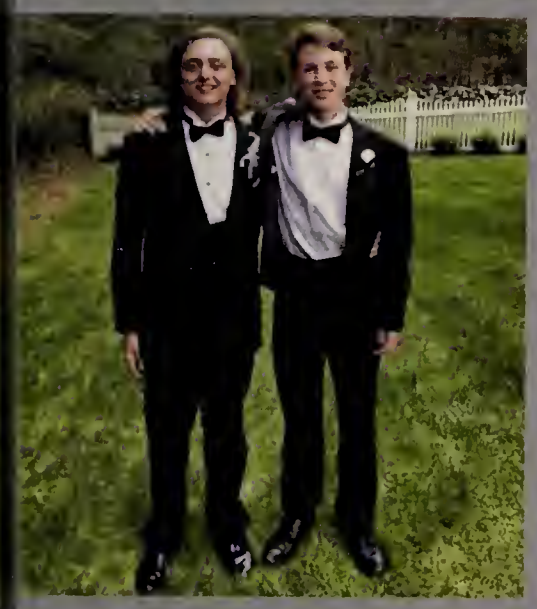
JUNIOR PROM

The Class of 2017's Junior Prom took place at the Boston Seaport Hotel on May 14, 2016. The theme of the prom was Springtime in Paris. The night was filled with great food, fun and dancing. As a tradition, junior girls wear long gowns to prom while senior girls wear short dresses.

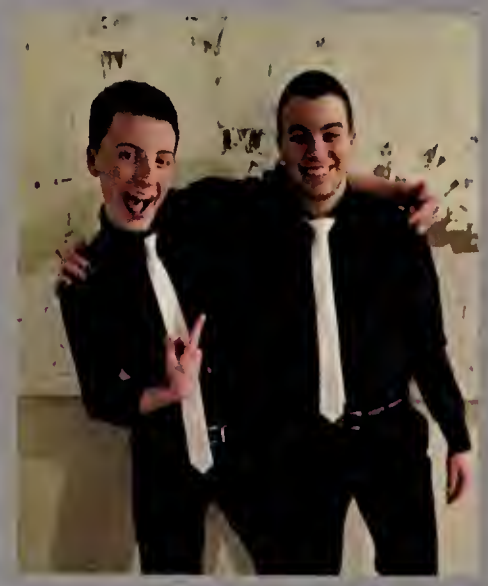


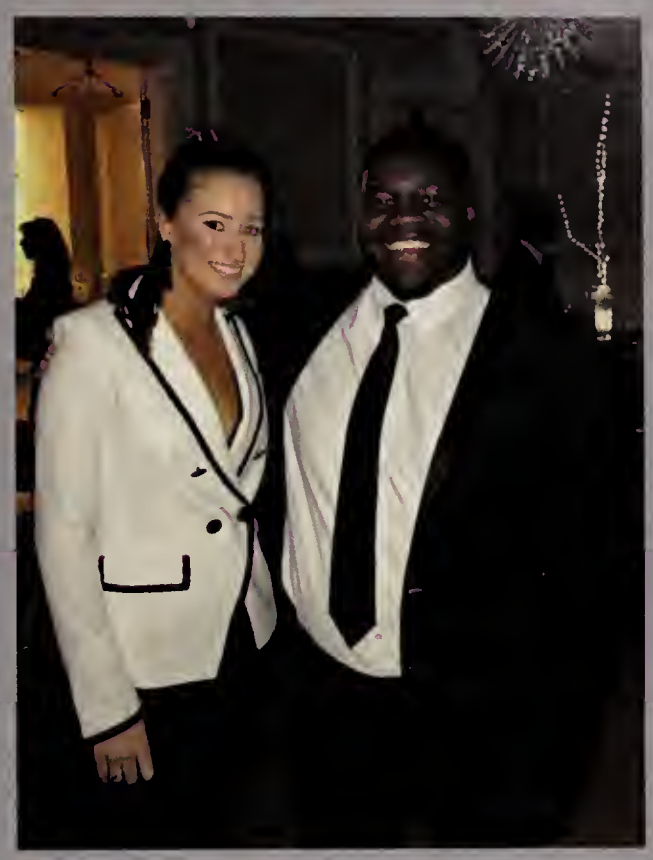


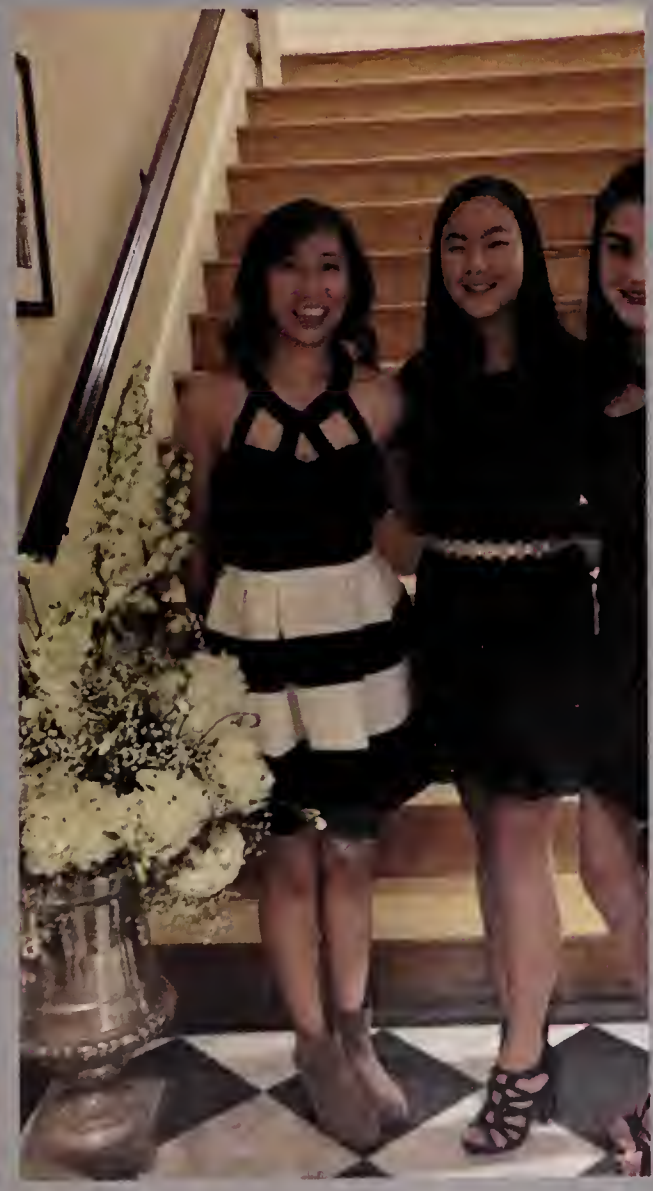
JUNIOR PROM

BLACK & WHITE DANCE

The Black and White dance this year took place at Weston Town Hall and was attended by the Class of 2017. Students wore black and white and had a lot of fun taking pictures at the photo booth. This last class dance was filled with many unforgettable memories.

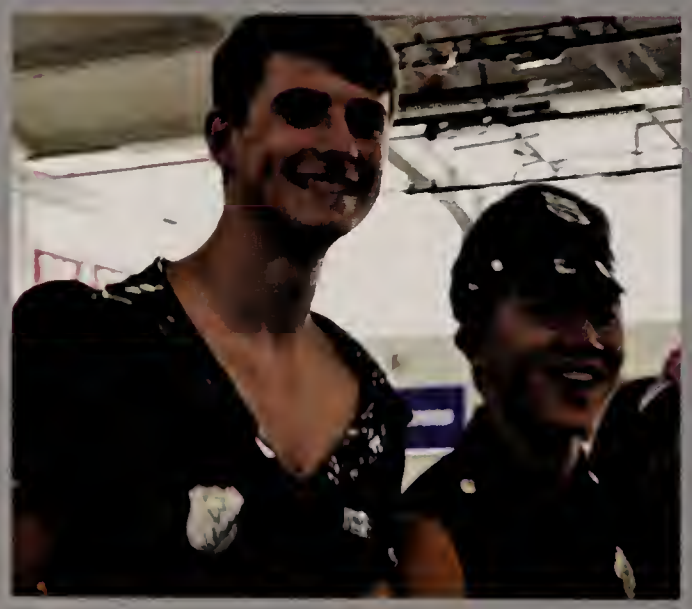






HALLOWEEN PARADE

From Alvin and the Chipmunk to Mario Kart characters, the seniors dressed up for their last Halloween assembly on October 7, 2016. The assembly was full of fun and laughter with Johnny Campo and Michael Malenfant as co-emcees.



POWDER PUFF GAME

Weston triumphed over Wayland in the the annual Powderpuff game on November 23, 2016 at Wayland High School with a 20-13 win that ended a three year losing streak. The team was lead by quarterback Kayla Lucas, along with coaches Ben White, Jared Groff, Damani Clachar, Andrew Kettle, Joey Lembo.

Beneath the Surface

The seniors pictured here have spent some, or all, of their school years attending the Weston Public Schools. Some METCO students joined the Class of 2017 in kindergarten. The "Lifers" have spent all of their school years in the Weston system. The "North"and "South" designations indicate the location in Weston the student's reside--and also involve a bit of friendly rivalry between the two groups.

"Who you callin' pinhead?"

High School has been "electric." Every day I come to school with my work done to get by all these crany classes that I have signed up for. I'll thank all my smart friends for encouraging me to do so.
Shout out to Fel's Market (8) and Qdoba (15) for feeding me every day. Unlike some people, I have acquired the ability to "eat and walk" as we only had 35 minutes to go and come back from lunch.
By Monday, my body is nearly recovered from receiving the work from Stoke and the boys.
The Hockey and Baseball Team are unforgettable. Weston High School has been the foundation of who I am going to become as a person.

I want to thank my folks for always being supportive of my dreams and goals, whether they were wild or pathetically small and for accepting my craziness in all its forms and glory. To my friends, I just wanted to say thanks for being cool, rolling with all the wild and not so wild times, being yourself and for all the times you made sure I wasn't being too much of a goon. Also let's not forget all the times you guys never failed to make me laugh as I take a sip of my drink, for never coming to my aid when I choked on food, for accepting my ridiculously cynical views, for showing up at my house at random, and for letting me show up at yours, and most of all for always keeping it real. It's been a wild ride, glad I had you guys by my side. That's enough mushiness. Live long and prosper my amigos. Peace and blessings!

Captains Corner

Overall, we are a young team this year, with a lot of underclassmen filling in spots left by last year's graduating class. However, we have a strong core of seniors who lead them, as well as take charge on the field themselves. In our victories, everyone on the team has had opportunities to contribute, but I speak for the team when I say that when the game on the line, we feel confident no matter who is up.

John Lathrop

Dearest John,

We closed our eyes for but a moment and suddenly, a man stood where a boy used to be. You have given us so many reasons to be proud - your love and devotion to our family, your impeccable character in the face of many challenges, and how you have maturely balanced your athletic and academic commitments while always finding the time to give back to your friends and peers. We have watched you grow as our son, a brother, a friend, a student, and an athlete and know that you are well prepared for academic and tennis life at Swarthmore. And now, although we may not be able to carry you in our arms like we once did, we will always carry you in our hearts. It's time to fly.

Congratulations, John!

We love you,
Mom and Dad

Isabelle and Aidan Faller

You bring us joy.
You make us proud.
You will do good for the world.
You will be great in the world.

Please come home often & always!

Nicely done, Abbey! Congratulations. It has been a treat sharing the past 18 years with you, our quietly silly one! You are a wonderful young woman who handles challenges with grace and humor. Keep up the good work! We are excited for the years to come.

All our love,
Mom, Dad and Emily

Camille Tulloss

We've watched you grow from a sweet, adorable child (who loved all things fuzzy) into a remarkable adult who brings joy and light to all. We've watched you learn to swim, sing, study, play the piano and bassoon, raise chickens, act, ski, throw pots, swing an axe, and so much more – all with a balanced and cheerful determination. We are so proud of you!

You are compassionate, creative, funny, curious, poised, patient and brilliant. You bring smiles to your friends and family every day.

Go now and bring your light and your love to all you do and all you meet. We are certain that you will make the world a better and a brighter place!

With all our love, M, D & C
